

Prayers for Bishop Gregor

As many of you already know, Bishop Gregor suffered a minor stroke last week and is currently in hospital. He continues to make progress and it is expected that he will remain in the hospital at least for the next few days. If you wish to send a card or message, the Diocesan Office is happy to receive them and they will be forwarded.

Rest and recovery are vital after a stroke and as such visitation is limited. Should you wish to visit personally, please contact the Diocesan Centre first. The staff at the Diocesan Centre is working to ensure the bishop has a good balance of visitors and time for rest and treatment.

The bishop is extremely grateful for the outpouring of prayers and well wishes. Please continue to keep Bishop Gregor in your prayers as he continues on the road to recovery.
