

## Stay in Touch with Church Magazines

This month, St Bride's magazine - the Oystercatcher - published its 360th edition - one for every month over the last 30 years! We congratulate them and their editor - Jonathan Lord.

We offer a quick overview of the church magazines within our Diocese and how to access them and stay in touch. (*To search for a specific church press **Ctrl+F** and search for the name or location, not all churches have an entry.*)

*Links provided were last checked in **December 2018** and are compiled from information supplied for the Diocesan Description. For corrections and additions, please contact the [Digital Missioner](#).*
