

Glen 20 Online - Pisky Youth

The Provincial Youth Committee had to cancel this year's Provincial Youth Week at Glenalmond College because of COVID-19. The Committee has worked very hard in producing an online alternative programme for potential delegates and registration for this is now open.

Claire Benton-Evans, the Provincial Youth Committee Enabler, writes about Glen 20 Online:

We are delighted to announce that registration for Glen 20 Online is now open! The leadership team has finalised an exciting programme of online events, and you can sign up your young person here: <https://tinyurl.com/GLEN20online>

We hope you will find this e-form straightforward and not too time-consuming to fill in: the idea is that you and your delegate can complete the opening sections together, then you can leave them to make their own activity choices etc. For those of you signing up siblings, this means you will need to fill in the form for each child, so that their personal choices can be recorded.

If you have any questions, please contact me (ClaireBE@scotland.anglican.org), the Rev Tembu Rongong (rector@trinityelgin.org) or our Glen Administrator, Marion Watson (MarionW@scotland.anglican.org).

We look forward to your young person joining us! **Closing date for registration is 22 July.**

Best wishes,
Claire
