

St Michael and All Angels Church: Helensburgh

Seeks a new RECTOR

St Michael and All Angels is a thriving 'middle of the road liberal Anglican' community, and is part of the Scottish Episcopal church. The only Anglican church in Helensburgh, St Michaels' loyal congregation is noted for its welcoming, inclusive and ecumenical outlook.

We are looking for a Rector who will respect our traditional forms of worship and church music, but who will also be prepared to offer variety in order to attract more people to our church. We need a shepherd with the vision and determination to grow the St Michaels' family.

Our new Rector should be friendly, sociable and with good inter-personal skills so as to be approachable by all in our congregation. He or she will be a practical leader with the energy and imagination to reach out to the local community.

Our 'Congregational Profile' and 'Rector Profile' documents and an application form are all available on the St Michael and All Angels website:
