

Mothers' UNION

Christian care for families

Diocese of Glasgow & Galloway

RE-launched – All Welcome

After two years in abeyance our Mothers' Union branch, in Holy Trinity, Motherwell was re-launched on 13 May 2018.

What is the Mothers' Union?

We are a movement of four million Christians in 84 countries worldwide. We work as volunteers in local communities putting our faith into action, giving individuals in need a helping hand. We are open to men and women whose vision is of a world where God's love is shown through loving, respectful and flourishing relationships. From its beginning in 1876, our aim is to support families and communities (of all faiths and none) in society.

What does our Mothers' Union branch do?

As a new start, our main aim is to:

- meet to learn together,
- have fun,
- share friendship and support others in need in our community,
- And in the wider network of Mothers' Union in Scotland, UK and around the world.

Our branch members volunteer

- To give community support for families in Motherwell and surrounding districts in many ways.
- Home, Hospital and police custody visiting,
- offering friendship,
- doing church work,
- Parenting and grand parenting activities.
- Networking with other charities.

All Welcome
